*We walk
a shadow line . . .*

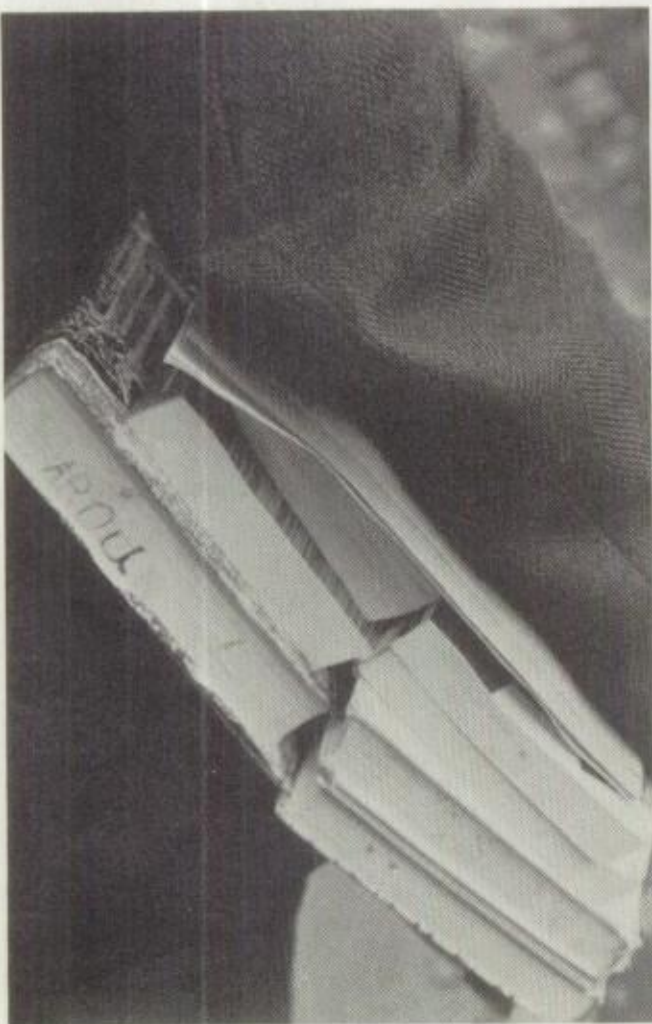

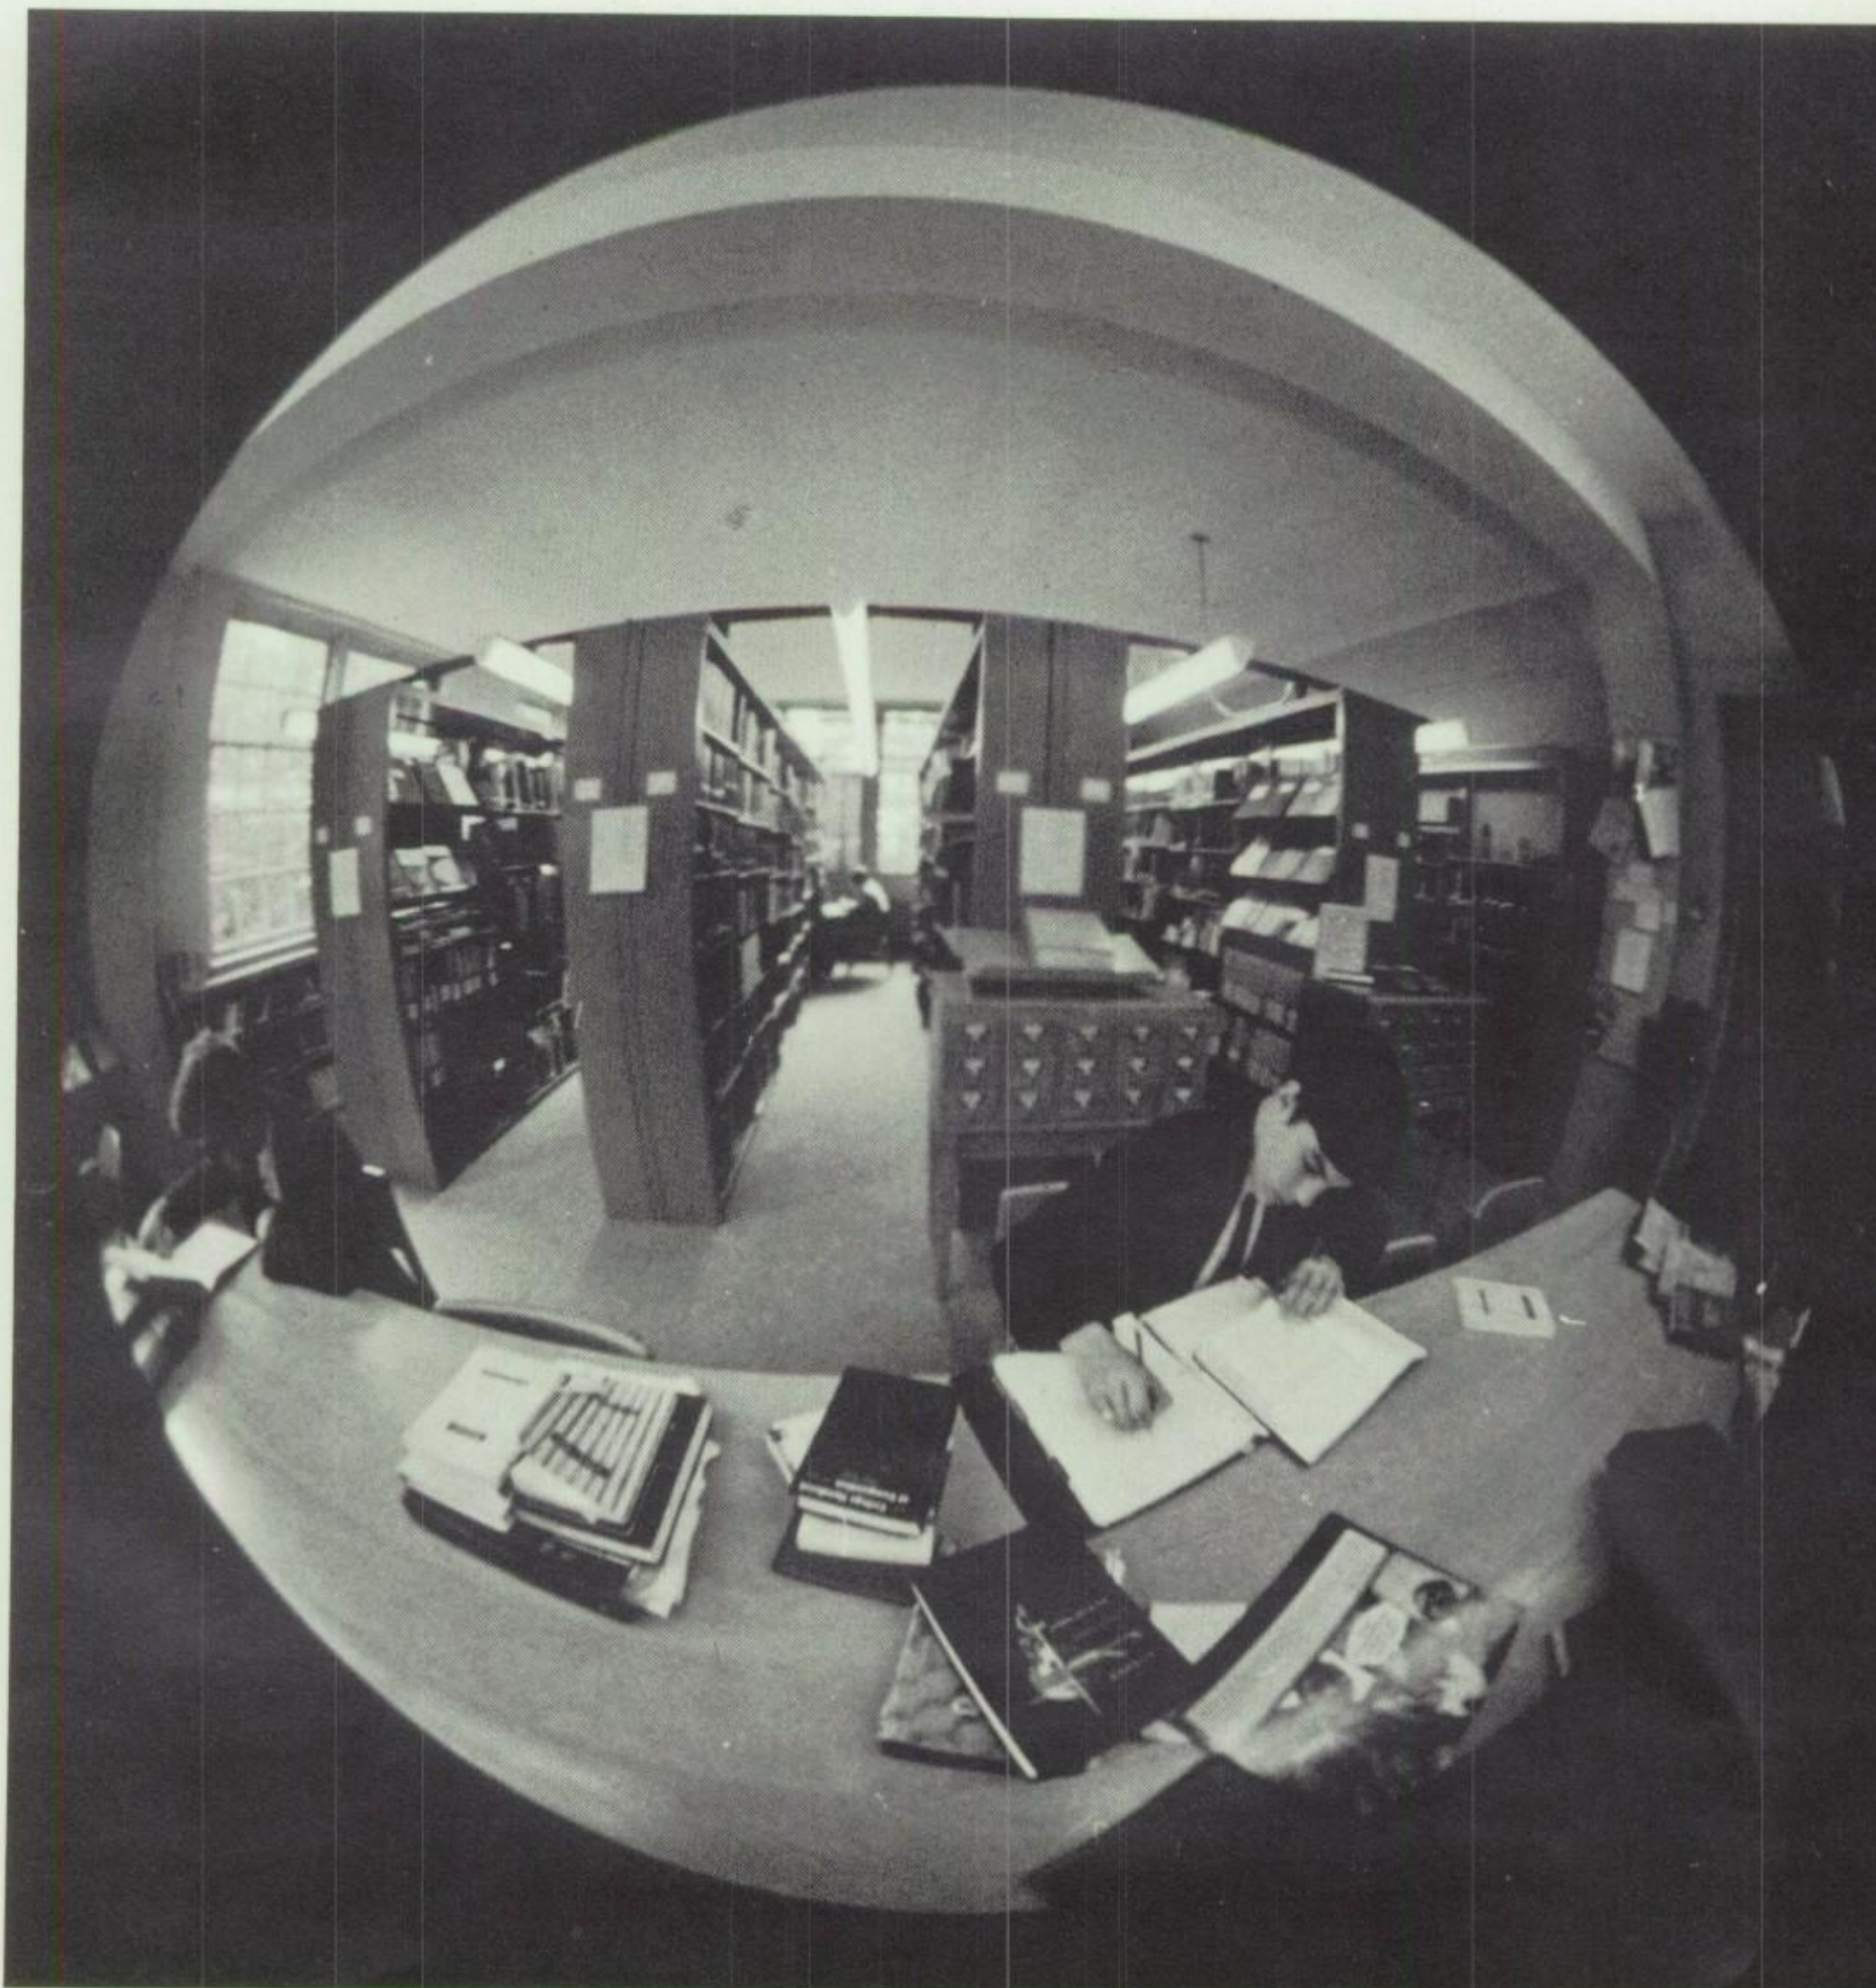

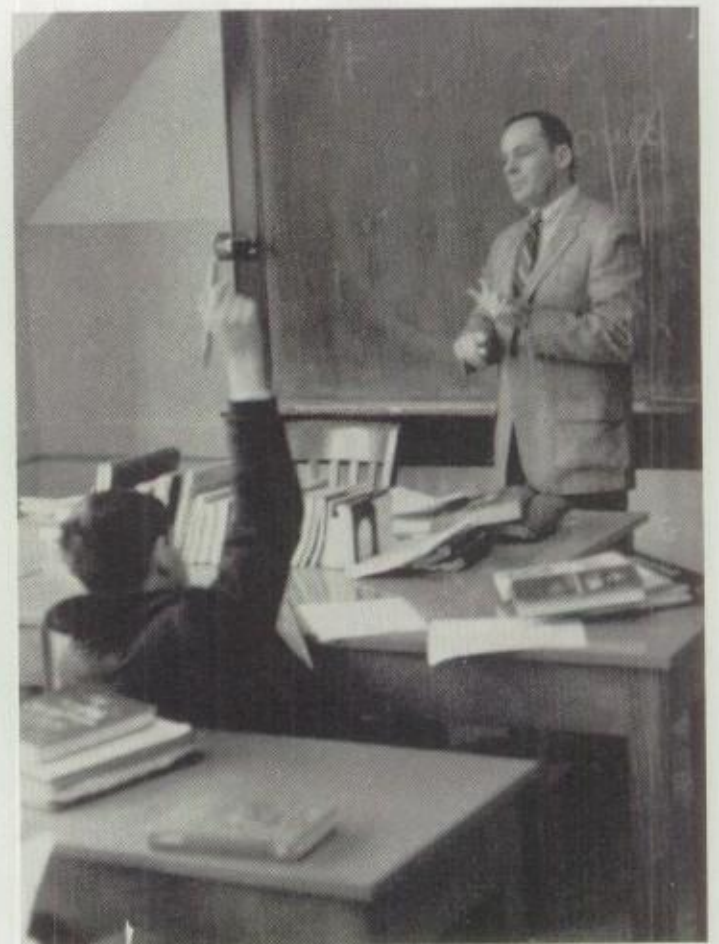

. . . *Between what we are
and what we might be . . .*

*. . . Not always sure who we are
or where we're going . . .*

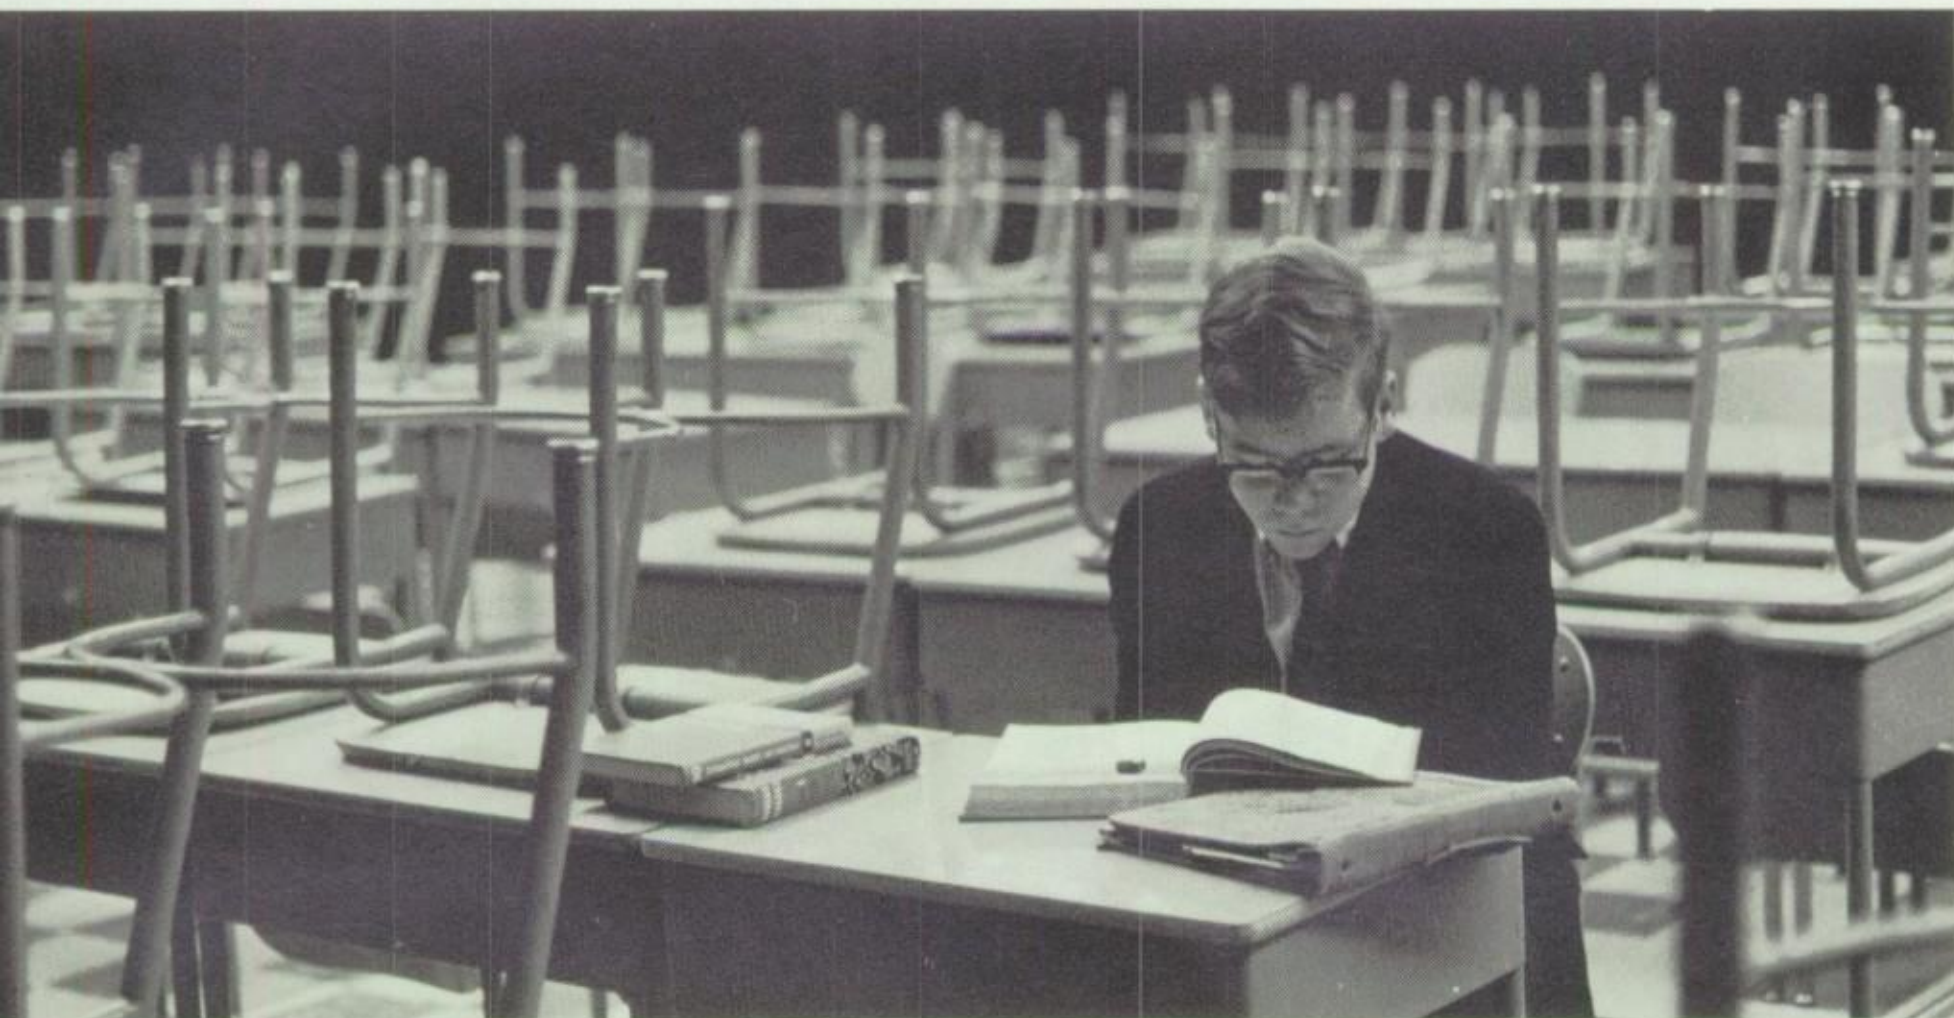

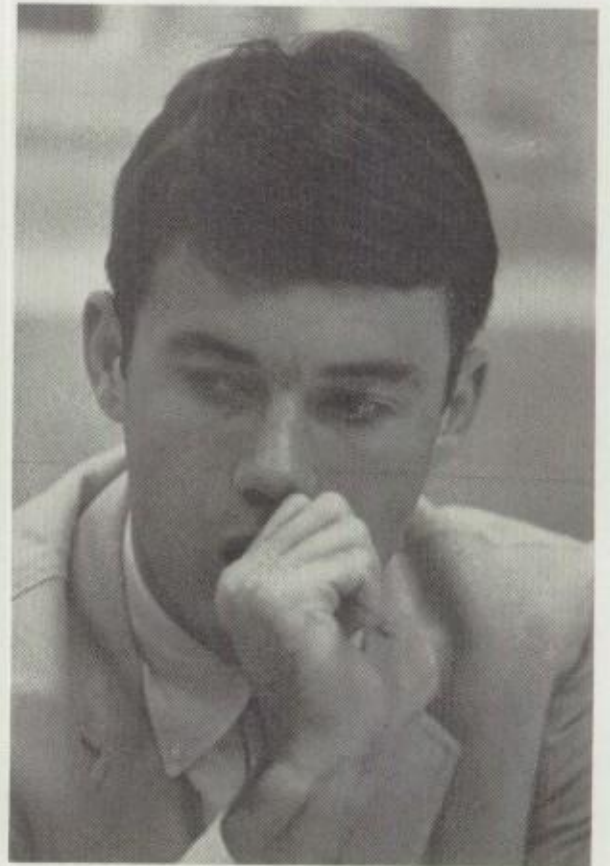

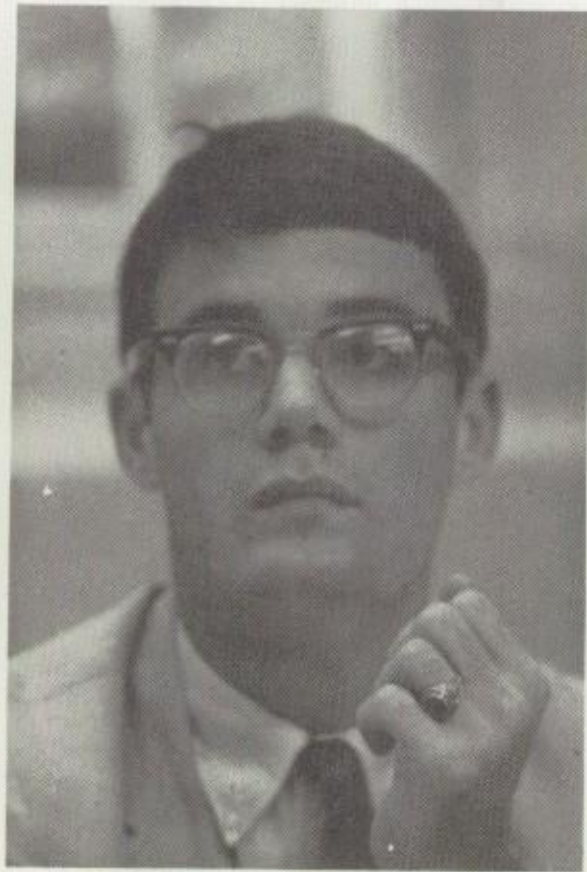

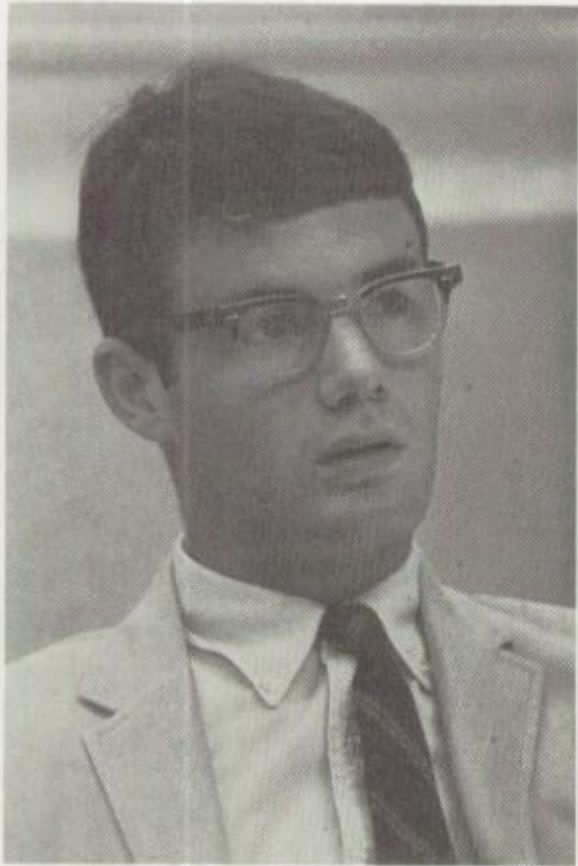

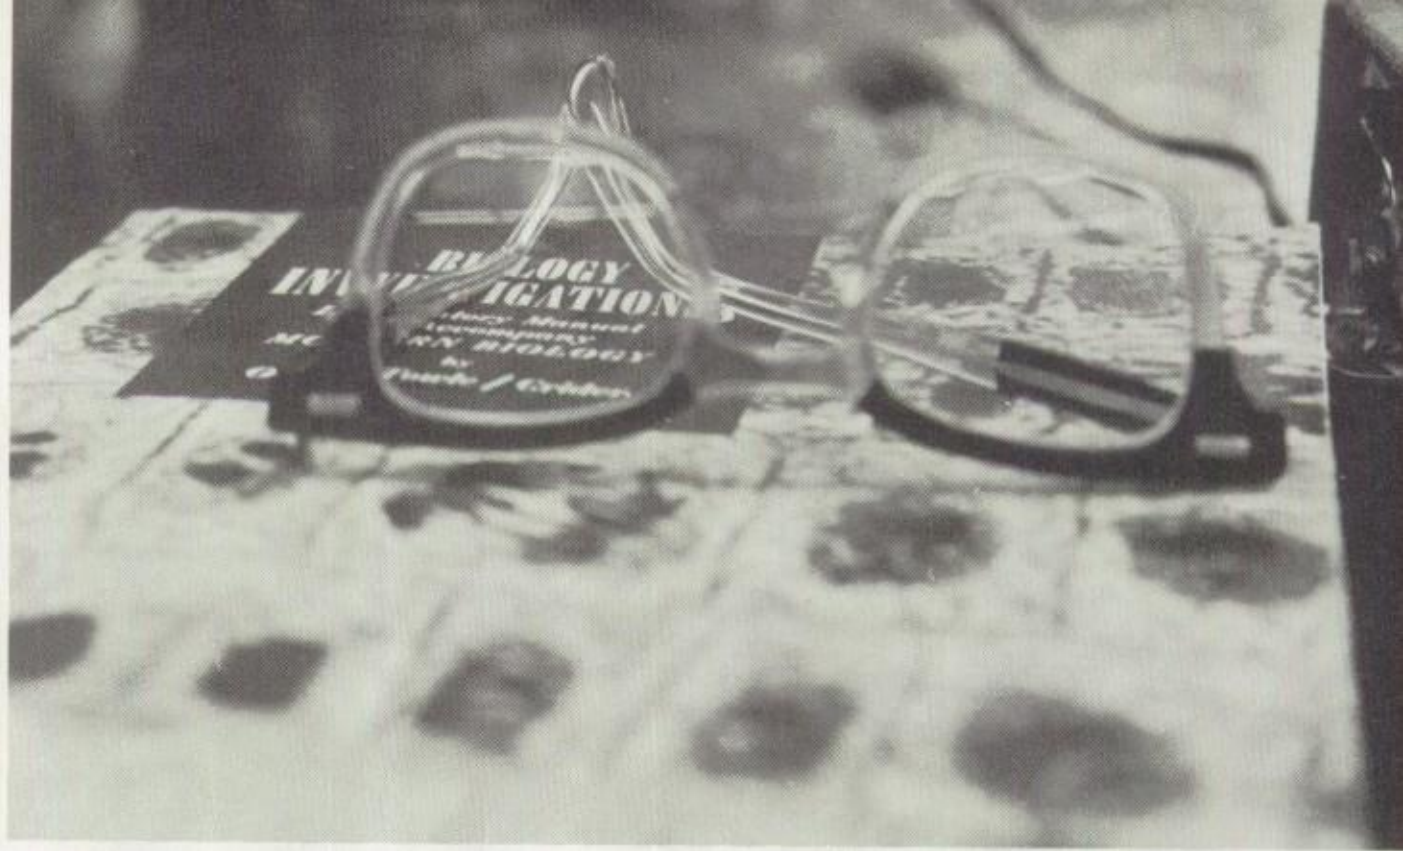

. . . *Assisted*
by others . . .

. . . *yet working alone* . . .

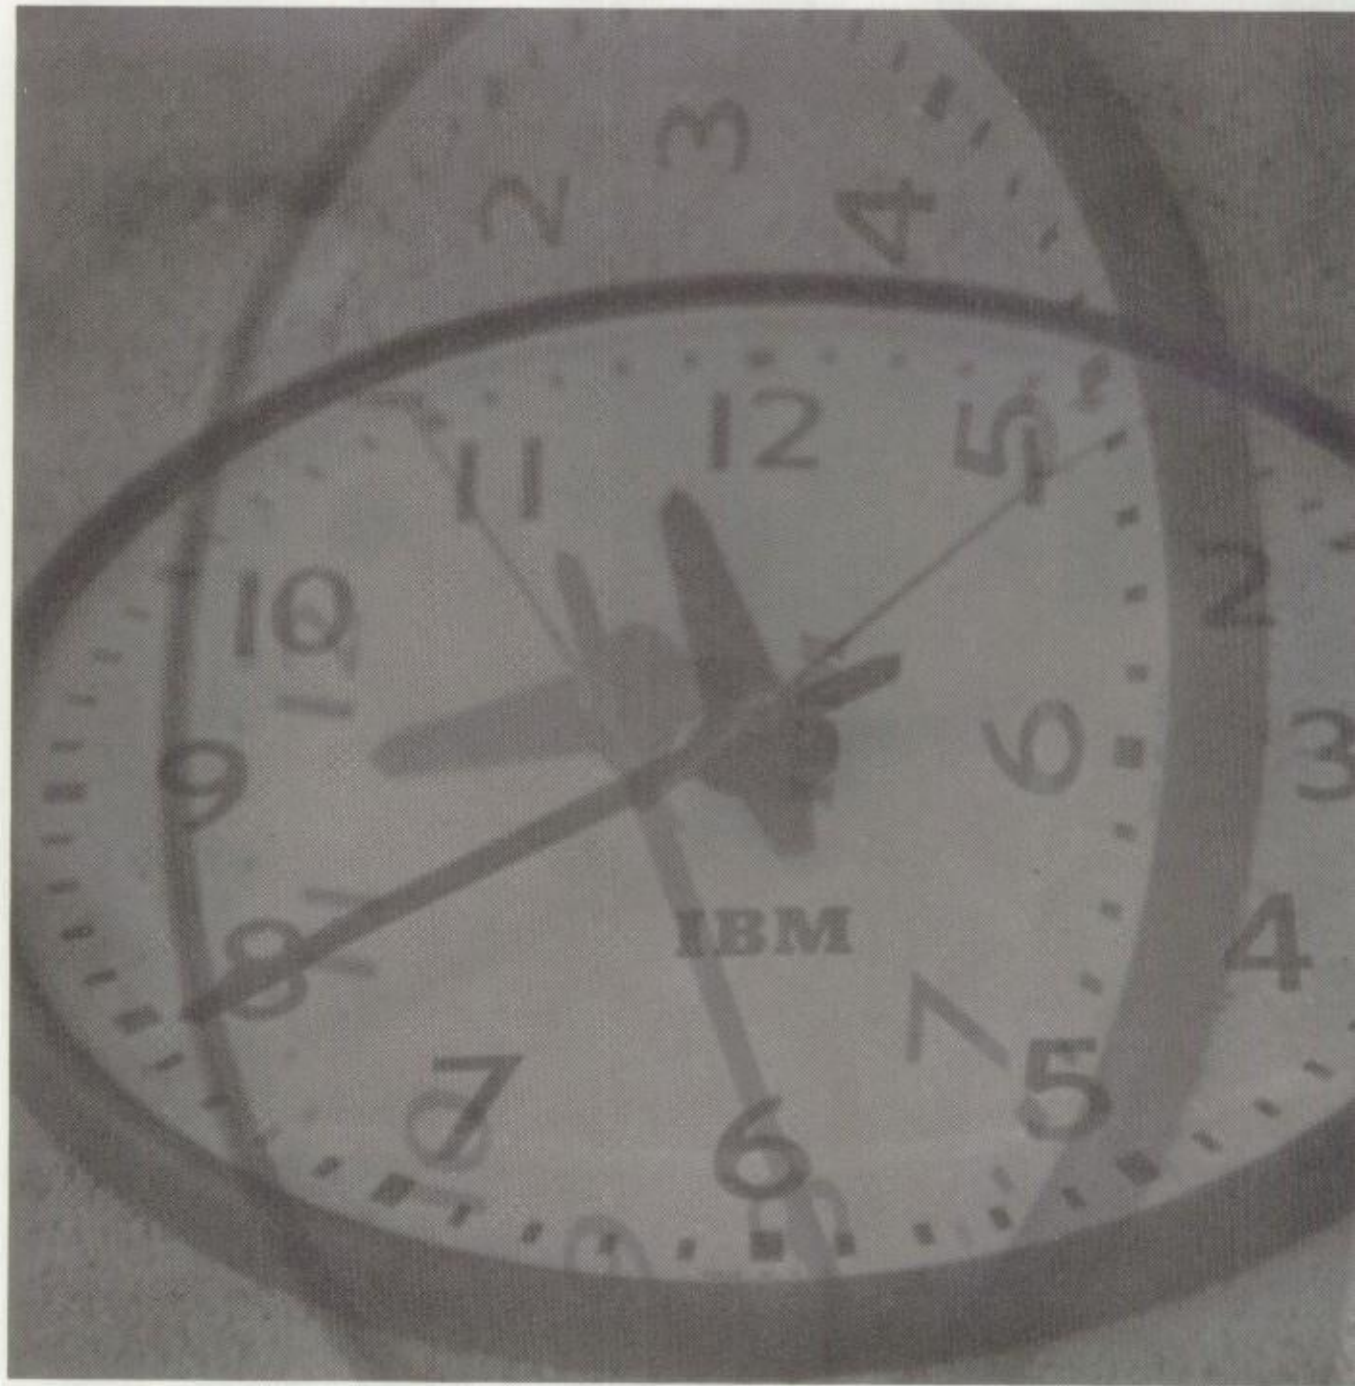

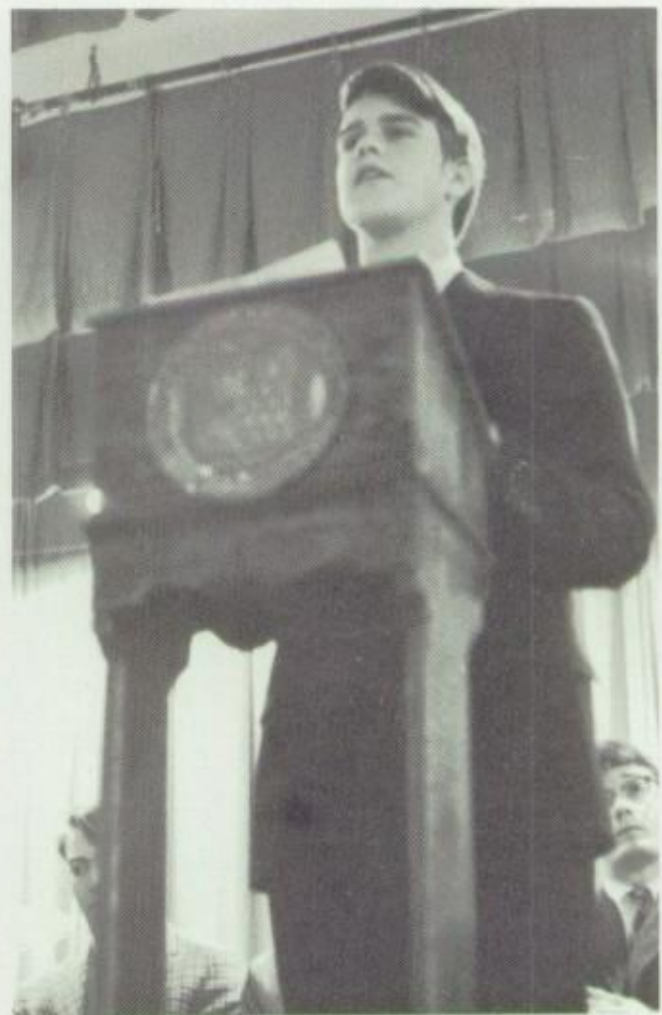

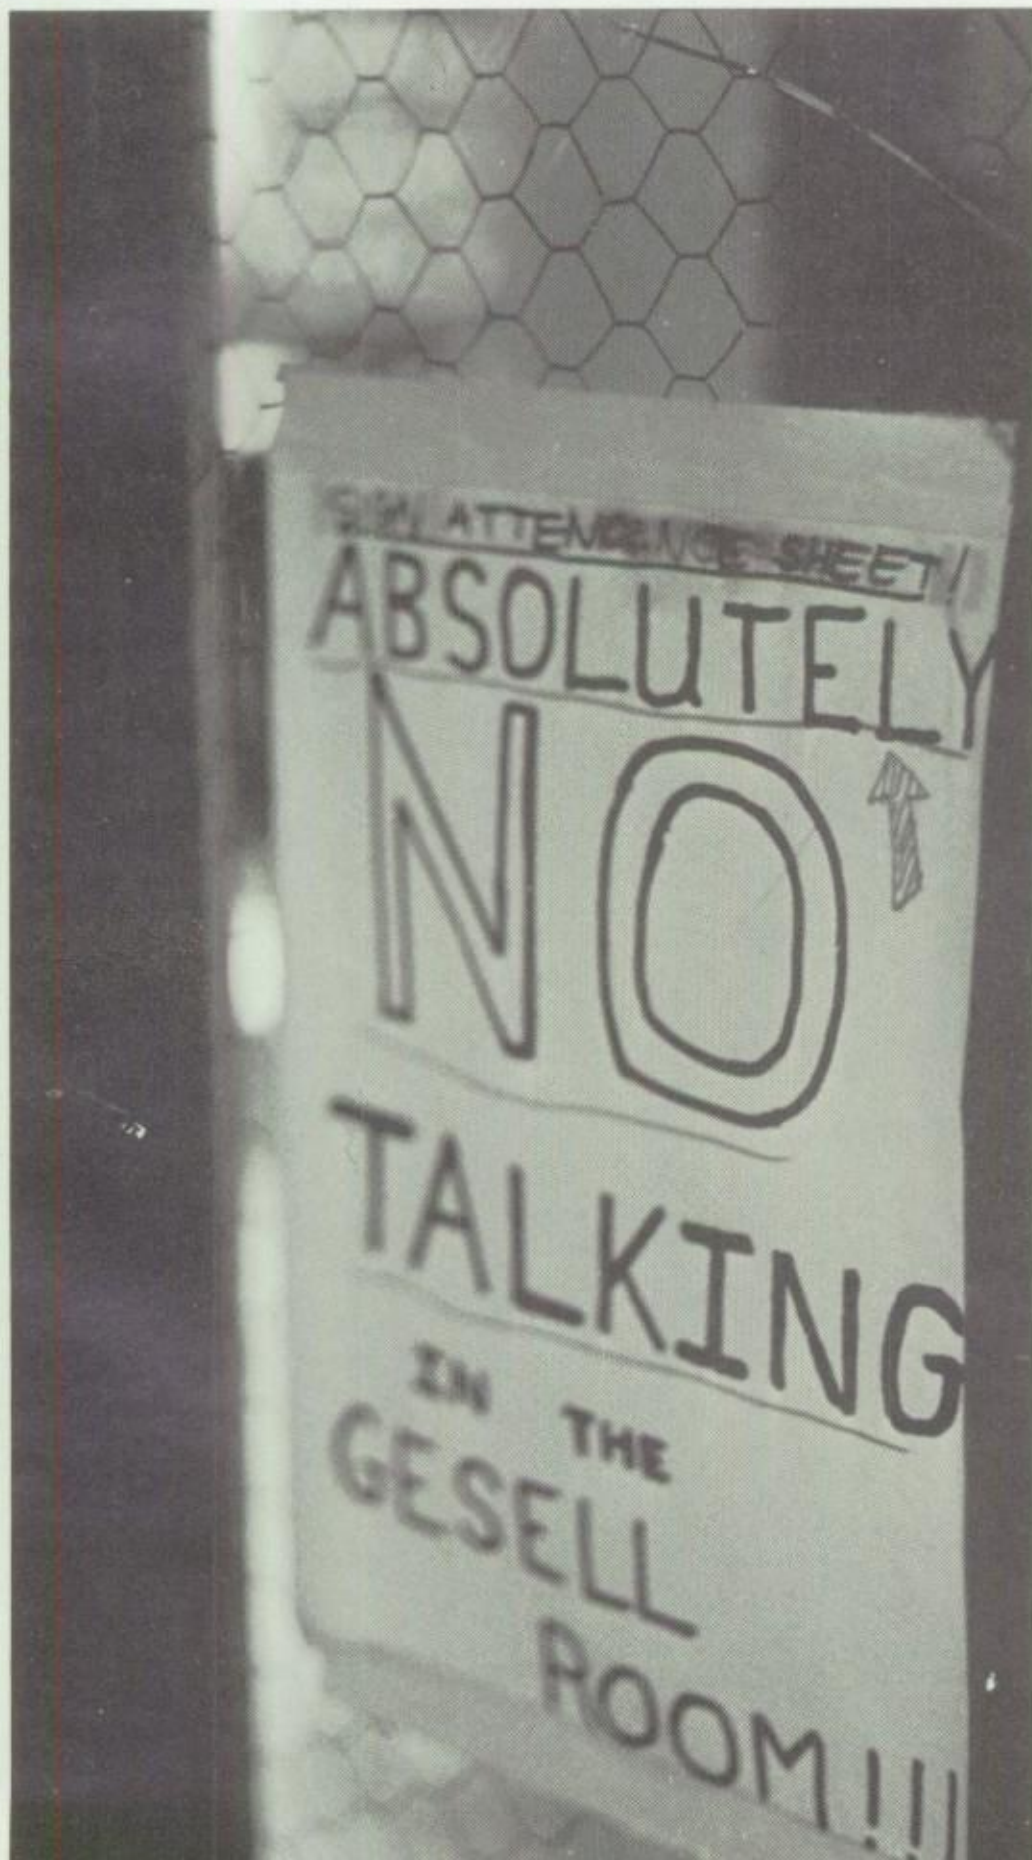

. . . *Questioning the world around us
but not believing the answers*

. . . *Using and wasting time* . . .

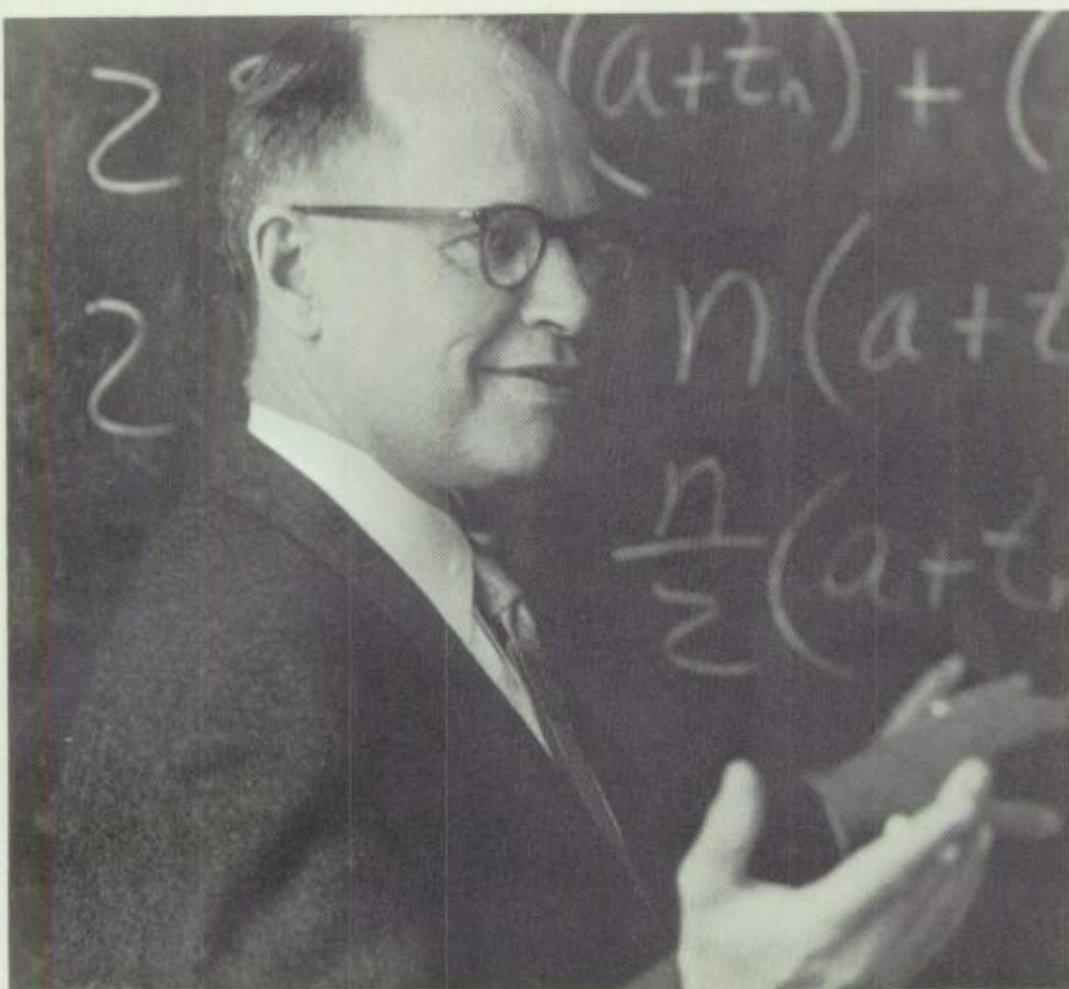

*. . . demanding freedoms
we don't know how to use . . .*

. . . We live our dilemma.

When the time comes, as it always does, when the Sixth Form finds itself caught in the trap of trimester grades, college applications, Jack Donne and Descarte's Rule of Signs, there is always a place and a person to turn to. Way up on the third floor of Baldwin Hall, near the Razor room sits the psychiatrist of 62 somewhat insane and very bewildered Seniors. Whether it be mathematics or college choices, College Boards or "The Lounge", he is always ready and willing to help. Perhaps the greatest tribute to him is that he has maintained his temper and his sense of humor through three years of assisting, teaching, and prodding us. The Sixth Form is happy to dedicate its yearbook to Commander Peterson, our Class Advisor.
